## STANDING ORDER SET UP

All membership payments to KTTC are for a full year as a minimum. We allow 'per month' payments as a convenient method for our members.

This part of the form provides information on setting up a standing order to Keighley Table Tennis Centre. It is the individual member's responsibility to set up a standing order with their bank. **Keighley Table Tennis Centre cannot do this for you.**

You can set up a standing order in one of three ways. For all of them, you will need the KTTC account details found at the bottom of the first page.

- **Online banking** – follow the steps when you have logged into your online banking to 'set up a new standing order'.
- **Telephone banking** – ring your bank, answer the security questions and request to set up a new standing order.
- **In branch** – you can go into your bank's local branch and request that a new standing order be set up to KTTC.

Please ensure you have checked the membership form for the amount that you need to transfer to KTTC. The minimum will be £10 per month.

A standing order is a per month payment and you will set the date in which the payment comes out of your bank and into the KTTC bank every month. You are the only person in control of this.

Please ensure you put your full name in the reference section so we know who the payment is coming from.

Your membership with KTTC will not start until the first payment is sent from your bank.
